22. (Unclassified - DFM) Received a call from [] who works for IBM in Gaithersburg, referencing a call of a couple months ago from Dr. Gary Thomas of the congressional Office of Technology Assessment. OTA has contracted with IBM for a study on information maintained and collected by Government agencies on raw materials, such as key minerals. IBM has developed a questionnaire which [] asked if the Agency would complete. After checking with Mr. [] I told [] to send the questionnaire to my attention, but did not promise our cooperation.
